**Intimately Yours**

Contemporary style and  
luxury in a timeless setting  
- it's a marriage made in Cornwall!

## Perfect

The Green is perfect for a  
romantic Cornish wedding.

If you are looking for an intimate  
wedding with a ceremony of your  
dreams - then you have come to the  
right place! Whether it's just the two  
of you looking for a secret elopement,  
a small family gathering or a couple  
of days spent with up to 20 of your  
closest family and friends, the staff at  
The Green are here to help make your  
day unforgettable.

## Ceremony

Indoors or outdoors.

Tucked away between the hills, orchards and meadows of the Lynher Valley, you'll find The Green, a magical ready-made wedding venue.

You can choose the perfect spot for your ceremony. Our wedding barn with its rustic exposed beams and quaint atmosphere is very romantic.

Or there is the option of our lake side arbour, by the quiet and tranquil lake. Our contemporary house and cottages are also registered to hold your ceremony.

## Celebrate

Your day - your way.

You may like to take the opportunity to be really spoilt on your wedding day. Take advantage of our chef service and sit down to a gorgeous meal. Our chef will cook and serve your meal in the cottage or house with the added bonus of no washing up to do.

Of course all the properties are self-catering if you prefer, or you may want to visit one of the region's great restaurants.

## House

Our lovely seven-bedroom country house has all the luxuries of a five-star hotel.

Its spacious, stylishly-decorated, airy rooms are bathed in natural light and each one has stunning views over the breathtaking landscape.

A well-equipped open plan kitchen and dining room and large lounge make it the perfect space to share with people you love. The House has its own entrance and sleeps 12 - perfect for your special celebration. And with only birdsong to interrupt the tranquility (and the odd cricket too!) you'll find complete peace and relaxation.

## Cottages

Our five cosy yet stylish and contemporary holiday cottages nestle in the grounds.

Brimming with Cornish character, they have everything you need for a luxuriously comfortable stay, from squashy giant sofas to under-floor heating, power showers to wi-fi. These beautiful converted barns are completely private from each other - they're the perfect place to retreat for a little 'me time'.
